October, Month of the Rosary

We celebrate October as the Month of the Holy Rosary, and on October 7, we observe the Memorial of Our Lady of the Holy Rosary. As we participate in this month, we hope that you will be enriched by being reminded (or learning for the first time!) how the Rosary developed.

Starting around the year 300, some Christians seeking a deeper connection to God left their homes to live alone in the deserts of Egypt. Isolation from the world and people allowed these holy men and women to pray constantly. They recited the same prayers over and over, and used pebbles or tiny pieces of wood to keep track of how many prayers they had prayed. In time, some of these individuals came together and lived in community, founding the early forms of the monastic communities that exist today.

By the year 800, monks in Ireland began praying all 150 psalms in sequence. When the cycle of 150 was complete, they would start again. The people were impressed by the holiness of the monks, and asked the monks to teach them to pray. The monks responded by instructing them to pray as Jesus taught us, asking them to pray 150 times the Our Fathers (three groups of 50) in a row. When the people found it hard to keep track of how many prayers they had said, they (like the desert fathers and mothers) used stones to keep count—transferring them from one pocket to another as they prayed.

Eventually, someone had the idea to string the stones together. By the year 1000, people were using stones or knots on a string to count their prayers. Rich people had strings of precious gems.

St. Dominic Receiving the Rosary

The form of the rosary today is believed to have been shaped and organized by Dominic, although the use of beads in prayer is much older than he and is not necessarily Christian; the Buddhists, for example, use a rosary that is similar to the Catholic one. What is certain, however, is that the Dominicans popularized both devotion to Mary and the mysteries of the rosary. Some scholars theorize that Dominic worked out a combination of the rosary's mental and vocal prayer in connection with his preaching, so that when his audience returned home and said the rosary in private the mention of the mystery would help them recall the sermon's text. Tradition also holds that Mary made various promises to Christians who recite the rosary: those who faithfully recite the rosary shall receive many graces, shall have during their life and at their death the light of God and the plenitude of his graces, and at the moment of death shall participate in the merits of the saints in paradise.

dominicanfriars.org/st-dominic-receiving-rosary/

In time, people began to pray their repetitive prayers to Mary, the mother of Jesus. They started by repeating the phrase "Hail Mary full of grace, the Lord is with thee" fifty times. The shift in the prayers came because some people were afraid of God, who was all powerful, but they were comfortable with the gentle Blessed Mother.

The rose became a symbol of Mary, and by the 1400s, the string of beads was called a rosary, or rose garland.

Around 1550, the Hail Mary became longer, taking the form we know today, and the Glory Be, which is also called the doxology, was added.

The Rosary is a devotion that honours our relationship with the Blessed Virgin Mary. It is a form of meditation, allowing us to reflect on the life of Christ and deepen our faith. It is easy to pray, and can be learned by family members of all ages.

When we pray the Rosary, we remember the journey of Jesus Christ and the role that his mother played in his life. As we meditate, we wrap ourselves in his story. When we pray the Rosary, we give honour to Mary as the most unique human person in God's creation. But we are not praying to Mary. We are praying with her, our partner in bringing our needs before God. We can see that in the words of the prayer as we entreat Mary to "pray for us, now and at the hour of our death. Amen."

Help Feed the Poorest of the Poor in Winnipeg this Thanksgiving

Food collection until Tuesday, October 11

*"We were thought of before we learned how to think;
we were loved before we learned how to love;
we were desired before our hearts conceived a desire.
If we view life like this, then 'thank you'
becomes the driving force of our day."*

Pope Francis, General Audience, December 30, 2020

To celebrate Thanksgiving, we are hoping to reach out to our friends at [Agape Table](#) once again (see below) and help them in their efforts to feed the poorest of the poor in Winnipeg. Our goal is to help feed 500 men, women and children with contributions of food, sandwich filling and servers.

- We are collecting contributions of **granola bars, juice boxes, pudding cups and fruit cups from now until October 11th**. We ask that all food items be deposited in our SSVF food crate at the entrance to the church. You can drop food off on the weekend (before & after Mass) and during office hours.
- We are also asking for contributions of **sandwich filling** in 4 L pails to be prepared in your home and brought to the church on Thursday October 13 between 10:00 am and 11:00 am. Please contact us for recipes.
- Finally, we are looking for **5 volunteers to serve a meal at Agape Table**, situated at 364 Furby Street on the morning of October 14th. If you are interested, please email us at ssvpwinnipeg@gmail.com or phone Joe at 204-256-0361 with your questions or for more information.

STEWARDSHIP REFLECTION

October 2, 2022 - 27th Sunday in Ordinary Time

“For God did not give us a spirit of cowardice but rather of power and love and selfcontrol.” 2 Timothy 1:7

Many of us compartmentalize our Faith, we bring it out only when we attend Mass or when we attend a parish event. Being a good steward requires discipline and striving to put God first in everything - all the time. The next time you are at a neighbourhood party or at work or out shopping, would your words and actions signal to others that you are a good and faithful servant of our Lord?
